## **KINGDOM CITIZENS PREPARING BODY, MIND AND SPIRIT – SPIRITUAL EMPOWERMENT FROM THE ULTIMATE POWER SOURCE**

**Thought: Kingdom Citizens know that their spiritual batteries will become weak from time to time. We must know that we can be spiritually empowered by a right connection to the ultimate power source, our Lord and Savior Jesus Christ.**

## **WORDS/PHRASES: Recharge, Empower, Spiritual Boost, Struggle**

September 3 – Strength Through Struggle (Jeremiah 29:11-14)

September 10 – The Lord Will Strengthen You (Isaiah 41:10-13)

September 17 – Perfection Power (II Corinthians 12:1-10)

September 24 – Power to See Right (Mark 10:46-52)

**Hymn - I Must Tell Jesus**

## **Brotherhood Ministry**

Brotherhood Ministry Monthly Meeting, Wednesday September 6, at 7pm in the Fellowship Hall. A light meal will be served. All Brothers are encouraged to attend and bring a friend.

JMBC Health Corner  
September 2023 Edition

Commercials and ads glamorize and promote many products that can be harmful to our young people. One such product is vaping. What is vaping? Vape or e-cigarette is a device that simulates tobacco smoking. It has a atomizer, a tank or cartridge filled with liquid, a battery as a power source. The person inhales vapor instead of smoke. It has been advertised that vaping is safer than smoking. The tobacco industry have lured our young people with flavors such as cotton candy, watermelon, buttered popcorn to name a few, which sounds appealing so they will try the product.

Studies have shown that vaping is harmful and at the time, the long-term effect is not known. Let's talk about some facts:

- E-cigarettes contain ingredients that are addictive.
- The brain is in the development stage until the age 25. Many e-cigarettes contain nicotine. In the developing brain the nicotine can make you crave more nicotine. This can affect the memory and concentration.
- Chemicals in the e-cigarette are harmful and inhaling the tiny particles can cause harm to the lungs.
- Adolescence using nicotine may increase the risk of addiction to other drugs.
- Aerosol used in vaping can be harmful to the lungs. Some of the flavors are not safe to inhale.
- Defective batteries have caused fires and explosions

Talk to the young persons in your life about vaping. Allow them to talk and give them a safe space to tell you if they have indeed tried vaping. Talk about the effects of vaping so they can understand the facts. It's important for us to be aware of trends and peer pressure that our young people face on a day to day basis. Teach them, listen to them, but most of all love them.

## DEACON AND DEACONESS MINISTRY

Greetings Jehovah Missionary Baptist Church Members,

The purpose of the deacon and deaconess ministry is to assist our Pastor in meeting spiritual, emotional, and physical needs of the congregational members of the Jehovah Missionary Baptist Church and the community.

The work of the deacon and deaconess ministry includes ministering and serving our members during good times as well as challenging times. We minister through intercessory prayer, hospital visit, phone calls, texts, and serving Holy Communion.

Please know that we do not contact members to pry in your personal lives, but we contact you to check on your spiritual health. As we contact our members, we pray that you will let us know when you are celebrating births, marriages, graduations, promotions, retirements etc.

Keep in mind that this ministry is governed by the Holy Spirit, the JMBC Covenant, our mission, as well as the vision as it is given to our Pastor.

Your Brother and Sister in Christ,

Deacon and Deaconess Ronald and Carol B. Gailliard

# Save the date

Save the date for Ministry Reset Symposium, Oct 12-15 at JMBC...more information to follow.

Please let us know if you have any questions.

## **The 2023 Community Boutique & Emporium**

Submitted by Sis. Eartha English

On Saturday August 12, 2023, the Evangelism Ministry and the ministries of Jehovah Missionary Baptist Church presented their second community clothing outreach. The event consisted of a Ladies Boutique, Men and Children Emporium, with community resources partnering for the event. The participation was overwhelming. It was so refreshing to see the ladies and men working so diligently preparing for the event. We had a nice supply of women, men, and children clothing including shoes, hats, bags(purse) and jewelry. All the ladies had the opportunity to use their gifts and talents in the various areas as we prepared for the event. The outreach was not just about giving away clothing, it was much deeper than that. Our goal was to bring the ministries, congregation, and the community together in fellowship and to spread the Gospel and the love of God. I saw sisters and brothers working together in a peaceful way. There was no coercing or pressure, just unity.

The community resources/vendors were: J M B C Youth Ministry, J M B C Health Care, J M B C Small Groups Bible Study, Prisma Health Care Child Safety, South Carolina Dept of Juvenile Justice, Phi Phi Chapter Chi Eta Phi Eta Phi Sorority, DHEC, Sumter Behaviour Health, and H.Y.P.E. The fellowship was amazing! People were circulating and engaging in conversation as they shopped. Everyone had the opportunity to select what they wanted and we had some left over; that's just how God work.

All the clothing for the Ladies Boutique and Men & Children Emporium were donations, some of which still had the tags on them. The Evangelism Ministry cannot thank you enough for everything you have done to make this event a success. Brothers, thank you for being there for us. *God Is Faithful!*

*The event coordinators: Sis. Rhonda McFadden, Sis. Sarah Sloan, and Sis. Betty Williamson.*
